

NOMINATIONS WELCOME

FOR THE 2024 WOMEN IN DERMATOLOGY HONOUR ROLL

Some of our colleagues, current and past, serve as inspirations for our careers. The website www.derm.city previously sought nominations for the first Women in Dermatology Honour Roll, intended as an occasion to acknowledge the leadership of a select group of Canadian physicians, present and past.

We are proud to pay tribute to this accomplished sorority in this special section.

We welcome nominees for recognition in 2024, and nominations are invited via www.derm.city.
